 Sue D. introduced guest speaker, Melinda Bula, who gave a fun, funny and informative presentation. Presidents' Letter

Greetings Ladies,

I would like to take this opportunity to thank you for the privilege of being your president for the last 2 years. Little did I know 3 years ago when I came to my first meeting and joined the guild that I would soon become president. I have thoroughly enjoyed my tenure. With the help of all of you I have grown in ways that can't be measured. I have appreciated your patience and gentle help. I remember my first meeting and trying to get through the approval of the minutes, you all laughed with me and not at me. I'm very proud of the many endeavors that have fallen under my term. We had a wonderful quilt show that will be hard to top, but I'm sure it can be duplicated. Two beautiful Opportunity quilts and a third one in the wings. Our hosting of the Tri-guild luncheon again will be hard to top, but I'm sure it also can be duplicated. My heart is so full of pride in the community outreach that our guild participates in, and our generous members always get the job done. I'm also proud of the new outreach programs that members are introducing, and they are taken on with great enthusiasm. Our guild continues to grow and evolve, and I ask that you give the new board the same support you have given me. Thank you from the whole of my heart for all you do and all you have done. For the last time I will sign off as your president. Jayne

QUILTS FOR COTS

Thanks to all of you, we have been busy transforming your beautiful quilt tops into completed quilts. Last month we delivered a total of 12 quilts to the Voices project, and to adults at the homeless center. Pillowcases accompany each quilt. New fabric packets were available at the July meeting -- thanks to Barbara, Sherri, and Kitty for their help. The running total of quilts made since 1993 is **3,268!**

Thank You. Ellie O. - coordinator, Quilts for COTS

Library News

Did you know that the PQG Library has over 500 books? They are all listed on our website under "Library" alphabetically by Author, Title, or Category. Check it out and then check out a book at a meeting. Since the metal cabinet can no longer be wheeled into our meeting room, I try to bring out a different selection each month and spread them out on the table for you. If you would like a certain book or category, please let me know ahead by e-mail, or just meet me before the meeting while I am getting books out and we'll search. The cabinet is stored very close to the door where the books are put out.

The proceeds of the sale of outdated and duplicate books, has provided us with cash for several NEW books. If you know a Title or Author or Category that you would like to see added to our library, please let me know (in writing, please).
Happy Quilting! - Kitty T.

From the Editor

My stint as newsletter editor is coming to a close and I hope you have enjoyed reading the newsletter each month. I think creating the newsletter is a lot like making a friendship quilt; you have to take a number of different size blocks (of text) from different people and make them all fit together, hopefully with a bit of style and a splash of color! With the sophistication and ease of use of current word-processing software, this job is much easier than it ever was! I have gotten a lot of the same satisfaction from creating the newsletter as I have from making a quilt. I hope someone will be inspired to step up and take on this job. It is a great way to make a contribution to the success of our guild, and you still get to sit back and enjoy all the meetings! If you think this is something that you would like to do, please let Garnet know. If you have any questions about the job, see me and I will be happy to fill you in with what I know! Think it over, and consider volunteering! I am sure you will enjoy it as much as I have!
