

# Welcome

Welcome to the Petaluma Quilt Guild. Our intention is to preserve the heritage of quilt-making and to further educate the membership in our craft. Another important purpose is to contribute to the welfare of residents of the Petaluma area by providing quilts to those in need.

These Policies and procedures contain information on the day-to-day running of our Guild. This booklet, together with our By-Laws, is a resource to enhance your membership and participation in our activities. We hope they will encourage you to take advantage of the services and programs we offer to our members.

- The Library is open before and during the meetings.
- All items checked out should be returned in good condition. If library materials need to be repaired, please bring them to the Librarian's attention.

- Magazines over 3 years old, as well as books that are no longer being checked out, are used to raise funds for the Guild.

### **Mother Hens**

Mother Hens are mentors for the new Guild members and share their time with new members in order to fully welcome them to the Guild. You are welcome to have a private tour with one of our Mother Hen Team and may ask questions you might have.

### **Secret Pals**

Members have an opportunity to secretly exchange small gifts with other members for the course of a year. Questionnaires are available at the general meeting for interested members to complete. The Secret Pal Coordinator will draw names and design the program. Gifts should not exceed more than \$10 per month and \$20 for the final gift or can be hand-made.

### **Block of the Month**

Every month, a quilt block is selected by the Block of the Month Committee Chair and offered to members at the meeting. The blocks are different every month. Some months a one-theme fabric is offered. Members pick up the Block of the Month packet and complete it by the following month and are eligible to enter their name in a drawing for all the blocks made that month. Members may have their name entered for every block they complete for a particular month – 3 blocks completed, 3 chances to win. These Blocks are not eligible for Friendship Points.

### **Fat Quarter Frenzy**

At each meeting, Members are invited to bring a fat quarter of 100% cotton (a fat quarter was originally 18" x 22") to place in a drawing. The names of those who bring fat quarters are entered during the meeting, and a winner is drawn. The winner receives all the fat quarters and is asked to pick the theme of the next month's drawing.

### **Monthly Mini**

The Monthly Mini is a small quilt (examples: table runner, wall hanging, or tote) made and raffled to raise funds for the Guild at the general meeting. Members volunteer to make and donate the Minis. Raffle tickets are sold and the winner is drawn during the meeting.

## **Sunshine**

Our Guild's Sunshine volunteer sends birth, congratulations, get-well and sympathy cards to Guild members. She depends on Guild members to help keep her informed about important events in the lives of our members.

## **President's Quilt**

The Guild members participate in creating a quilt top to honor the outgoing President. Members are asked to stitch blocks which make up a top presented to the outgoing President at the August meeting. Of course, the making of this quilt is a surprise and accomplished in the strictest secrecy. Generally, the immediate past President is the coordinator of the current President's quilt top. She coordinates the design, distribution, and joining of the blocks, so the position does not end completely when a new President takes office. If a President serves a 1-year period, a quilt top is completed. If a 2-year term is served the quilt top is fully quilted.

## **Retreats**

The Guild hosts a weekend quilting retreat 1 or 2 times each year. Held at a nearby location, retreats offer members an opportunity to work on special projects in the company of friends uninterrupted by day-to-day distractions. Fees vary depending on the length and location of the retreat. All final payments must be made 30 days prior to the retreat. If you are unable to attend a retreat, a 30-day notice is required to receive a full refund.

## **Workshops**

Many times during the year, the Guild hosts workshops offered by guest speakers, Guild members, and other area quilters. Dates and times of workshops vary according to the presenter's schedule. Fees vary depending on the type of workshop. All final payments must be made 30 days prior to the workshop. If you are unable to attend a workshop, a 30-day notice is required in order to receive a full refund.

## **Challenge Quilt Project**

In some years, the Guild sponsors a Challenge Quilt Project. Rules vary for each Challenge – some years the Guild provides a packet of fabric (for a small fee), or a specific quilt block is chosen, or different criteria are chosen for the year's challenge. Members have a set period of time, usually several months to work on their Challenge Quilt. Traditionally, we keep our Challenge Quilts a surprise from each other until the unveiling.

## **Petaluma Quilt Show (August)**

Petaluma Quilt Show is run by the members of the Petaluma Quilt Guild and is a chance for the Guild to actively demonstrate our love of quilting. Members and non-members may enter quilts for display, demonstrate quilting techniques, and volunteer their services for set-up and take-down, as well as participate in other Quilt Show opportunities. In addition, members may be asked to volunteer to display and sell raffle tickets for the current Opportunity Quilt.

## **Friendship Quilts Program**

A Friendship Quilt is a quilt which is made up of blocks stitched in friendship by members of the Guild. The Friendship Block Program allows members to accrue points towards the sewing of a set of Friendship Quilt Blocks made by the Guild. Stitching blocks for the Appliqué Friendship Program, Pieced Friendship Program, and President's Quilt, Tri-Guild Luncheon Quilt, Opportunity Quilt, the Monthly Mini, and other Guild quilting opportunities are ways in which a member may earn Friendship Block Points. Stitching appliqué blocks earns points for a set of Appliqué Blocks and pieced blocks earn points for a Pieced Friendship set. The points earned for a particular block may only be claimed for either the Appliqué or the Pieced list, but not both.

## **Appliqué Friendship Blocks**

To be eligible to have a set of Appliqué Friendship Blocks made for you, you must have completed 3 appliqué blocks for someone else's friendship quilt, and must be committed to paying back the balance of those owed. When it is your turn, you may have up to 20 blocks of your choice made for you. (If you choose to have 20 blocks made, you would then owe 17 blocks to repay your total debt.) The Chairperson will distribute your instructions for your blocks, keep track of the members who work on them, collect and return them to you at a general meeting. When you work on blocks for other members, it is your responsibility to follow all of the instructions distributed to you, and to return the blocks within 2 months.

## **Pieced Friendship Blocks**

Very similar to the Appliqué Friendship Blocks Program, to be eligible to have a set of Pieced Friendship Blocks made for you, you must have completed 5 pieced blocks for someone else's friendship quilt, and must be committed to paying back the balance of those owed. When it is your turn, you may have up to 20 blocks of your choice made for you. (Again, if you choose to have 20 blocks made, you would then owe 15 blocks to repay your total debt.) The Chairperson will distribute your instructions for your blocks, keep track of the members who work on them, collect and return them to you at a general meeting. When you work on blocks for other members, it is your responsibility to follow all of the instructions distributed to you, and to return the blocks within 2 months.

## **Public Outreach Quilting**

Public Outreach shall include, but not be limited to: County Fair Liaison, Quilts for COTS Families, Quilts for Valley of the Moon Kids, Quilts for San Antonio Nursery, and Military Families. They shall uphold the purpose of the Petaluma Quilt Guild as stated in Article II of the Bylaws.

### **Quilting for C.O.T.S.**

Since the Guild was founded, it has served C.O.T.S. (Committee on the Shelterless) by making quilts for children who are living at the C.O.T.S. shelter in Petaluma. Upon arrival at the shelter, children and adults are allowed to pick a quilt of their choice. This quilt becomes their property and goes with them when they leave the shelter. A constant supply of quilts is needed for new arrivals. Quilting for C.O.T.S. holds a work day once a month on the fourth Thursday at Valley Orchards Retirement Community, 2100 E. Washington Street, Petaluma. Members are welcome to join the work day or make quilt tops at home.

### **Quilting for the Valley of the Moon**

Valley of the Moon Children's Home is Sonoma County's only shelter for abused, abandoned, and neglected children 0-18 years of age. Children receive a hand-made quilt "for keeps" when they arrive at Valley of the Moon. Kits of fabric are available at general meetings for members to take home. Members may also use their own supplies to make these special quilts.

### **Quilting for San Antonio Nursery**

San Antonio High School in Petaluma has a Nursery/Day Care available for student mothers. The Guild provides quilts for the nursery on a regular basis. Members may make quilts and bring them general meetings to be distributed to the small children and babies in this program.

### **Quilts for Military & Families**

Quilts for Military & Families started as a way for the Petaluma Quilt Guild to reach out to those who are serving our country. Members are encouraged to donate red, white or blue fabric for use in blocks, backing or one of the kits we provide for you. You can also make a block, or blocks or even a whole top from your own fabric. These items will produce tops, which will then be donated to different organizations that facilitate these quilts reaching service members.

## **Ways and Means**

The Ways and Means Committee coordinates fundraising activities for the Guild.

### **Guild Quilt Auction**

The annual PQG Quilt Auction raises funds through quilts, quilt blocks, quilt tops, gift baskets and services donated by the membership. The evening includes refreshments and a guest auctioneer.

### **Opportunity Quilt**

Members make a quilt to raise funds for the Guild. The Committee decides on the pattern for the quilt and distributes blocks to the membership. The blocks are collected and sewn together by members of the Guild. Members also sell tickets both through individual sales of tickets handed out to each member by the committee and by public displays of the quilt at several festivals, fairs, and quilt shows. Bids for long armed quilting and the label will be solicited from Guild members or Affiliates and the committee will select the winning bid.

The Petaluma Quilt Guild welcomes fellow quilt guilds to sell opportunity quilt tickets providing space and time is available.

In order to maintain our non-profit status, the Petaluma Quilt Guild is unable to extend fund raising opportunities to other persons or organizations not affiliated with quilt guilds. Operations of these guilds have to be in compliance with the Petaluma Quilt Guild's purpose as stated in the Guild's Bylaws, Article II – Purpose.

## **Event Quilting**

### **Sonoma-Marin Fair (June), Sonoma County Fair (July)**

Members are encouraged to enter their quilts in each of these Fairs which we support through awards sponsored by the Guild. Entry Forms are available at the Petaluma Library. In addition, the Guild donates a \$50 Best of Show Award in honor of our Life Member Joyce Gross, a world renowned quilt historian, to the Sonoma-Marin Fair and a \$50 Machine Quilting Award in memory of past member, Dorrie Whipple to the Sonoma County Fair.

### **Olompali Park (Spring)**

In May of each year, the Guild demonstrates hand quilting at Olompali Park Heritage Day in Novato. Members may volunteer to participate bringing their own work to use for the demonstration. In addition, members may volunteer to display the current Opportunity Quilt.

### **Tri-Guild Luncheon**

Each year, three Sonoma County Quilt Guilds, the Petaluma Quilt Guild, the Moonlight Quilters of Sonoma County and the Santa Rosa Quilt Guild participate in a luncheon. The three Guilds take turn hosting the afternoon which includes lunch, a speaker or program, and raffles. When it is our turn, members are asked to donate a dish for the luncheon, raffle items, sew blocks for a raffle quilt and decorate tables.
