

Goose Creek

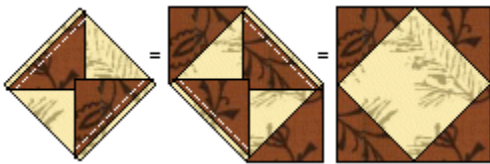

This makes a 12" block
12.5 unfinished.

Think Scrappy!

You will need 18 – 2 1/2" squares to make 2-9 patch squares. Start by sewing TWO nine patch blocks as shown at left, using 1/4" seams. Press row seams in alternating directions. These should measure 6-1/2" when done, trim them if needed...

Cut the triangles from two 3-7/8" squares of "dark" fabric, and the center square is a 4-3/4" "light" square! Press seams towards outer triangles. This should measure 6-1/2". Trim back if needed...

Now just piece the block! Make rows, then sew the rows together, again using 1/4" seams. Press row seams in alternating directions. All Done! :o)
