INTERESTED IN A QUILT COMMISSION?

A man who recently retired from service with the County of Sonoma is looking for someone who is willing to make a quilt for him on commission. He has several dozen silk neckties which he will no longer need to wear to work and would like to have them made into a quilt. If interested contact Kitty for more information..

Dorrie Whipple Award of Excellence at the Sonoma Marin Fair

The Petaluma Quilt Guild honors past member, Dorie Whipple, with an annual Award for Excellence in Quilting at the Sonoma Marin Fair in Petaluma. Dorie was a very giving person who died of cancer in 1997 at the age of 42. She was one of the principal organizers of the Petaluma Quilt Show when it was outdoors in downtown Petaluma. She also taught quilting classes, formed her own pattern company called Goose Hill Quilts, and developed a style of stipple quilting dubbed the "Whipple Stipple". She had a great knowledge of quilting and her friends remember her generosity and willingness to

always pitch in and help someone else.

Election of Officers in July

We will be voting for our new officers at the July meeting. It is important that we have good attendance at that meeting because we need to have a quorum present for the vote to be valid. There are some wonderful folks who have come forward to take over most of the positions. The slate of officers is as follows:

President: **Jayne Myers and Lolli Gannon**

Vice President: (Programs)

Sue Deal and Laura Leonard

Vice President: (membership)

Barbara Confer and Marge Bascherini

Treasurer: **Gloria Krzyzanowski and Ruth Markham**

There are still two positions that haven't been filled. Those are **Secretary (MUST HAVE) and Parliamentarian**. We are still hopeful that someone will step up for these positions at the July meeting. Hats off to those who worked on the Search Committee, Ellie O'Connor, Sharon Johnson, Susan Hadenfeldt, Sally Atterbury, and Marge Bascherini. We're looking forward to seeing you at the meeting and please do all you can do to support our new officers.

Volunteer Opportunities:

We are so happy to have wonderful members who have stepped up to take on PQG Officer positions for 2015-2016. I'm especially confident about a smooth transition since several positions are being filled with a second person acting as "Co" and they can "learn the ropes" with a partner. We are still missing a Secretary and Parliamentarian, but hopefully those positions will be filled soon. Those jobs are not as time consuming as some others.

To satisfy CA Non-profit status, we need a four member Executive Board, but we also would like to have one or more volunteers for the vacant committees. That is all the fun stuff we like to do at our meetings. Please consider volunteering for Friendship Applique, Hospitality, Cast-off Table, Military Quilts, Monthly Mini, Show & Tell, or Sunshine. Your By-laws Booklet tells a little about each job, and I'm sure the present Chair for these committees will explain further if you ask them. Remember, it doesn't have to look the same as it has always been, but this is your chance to do things another way if you have a good idea and it fits in the budget.

Another very important job coming up in September is a new Newsletter Editor. This is how we do most of our communicating. This person needs to be somewhat computer savvy. Past editors will be happy to explain the Program we use.

At the July meeting, I'll ask for volunteers to fill these open jobs, so be ready to put your hand in the air with an "I can do that" attitude. That's how we keep on enjoying the advantages of friendships and quilting motivation that belonging to a guild provides. Happy Quilting!
Kitty

Newsletter Editor will be needed as of September newsletter

I have really enjoyed doing this but for personal reasons I will not be able to do this for another term. I will be happy to help get you started on doing the newsletter. Trust me...

IN CASE YOU DIDN'T READ

We miss our Quiltlets! Our beautiful "Global Warming" Opportunity Quilt at Butter & Egg Days got lots of attention, but it was lonesome without the quiltlets representing the creativity of individual guild

members all connected together. So, let's just get busy and make replacements. All you need is a 8 1/2" x 8 1/2" block. You might even have an orphan block or some extra pieces from another project to get started. You can personalize it by sewing your favorite technique, colors, block pattern, chickens for Petaluma, or something that represents you. On the back, write your name, year you joined the guild, and any other interesting info you wish to share. Quilt and bind it, extending the binding 8" in the corners to form ties. If you were a friend of a member who has passed away, you might consider also making a quiltlet in their memory. Full directions can be found on our website or get printed directions at the membership table.
