## FROM PRESIDENT DENISE

Dear Quilting Friends,

Today I was in the yard enjoying the fresh blooms on my Jasmine tree. How fragrant! I also noticed that the huge Agave plant I have out front has a 4 foot stem growing out the top getting ready to bloom a huge flower. The Spring has certainly made me get out bright fabrics with birds and flowers and start colorful projects. Our Block of the Month Framed Flowers is perfect for this month! Last month Cathy Lago won the April Showers BOM that everyone had so much fun making. I can't wait to see her finished creation! The next BOM is already planned and Hint: has to do with water!

I have spoken to the two presidents of the Santa Rosa guilds and the majority of their members agree with our majority and are not quite ready for a luncheon in September. They are both fine with us postponing it until next March 2022. I think we can agree that we would have a much bigger turn-out next Spring.

It looks as though we may be on Zoom for a while longer. Please send me any ideas you have of virtual gatherings you'd attend. We can have a class or two. ( I'd love a class on hand applique??) Anyone interested in teaching a class, let me know. We do have our Sewcials the third Saturday of the month. It's a great two hour gathering that you can bring a project to or get sewing advice from our members.

Thank you all for hanging in there with new meeting platforms and email communication. Everyone's patience and efforts are greatly appreciated!!! I know everyone misses each other.

Someday we'll look back on this and say, "We were a part of this history!" I hear the excitement when someone announces they received both vaccines. Please continue to practice caution. Self-care, good sleep, laughter and a healthy diet all contribute to a happy self.

Fondly, Denise

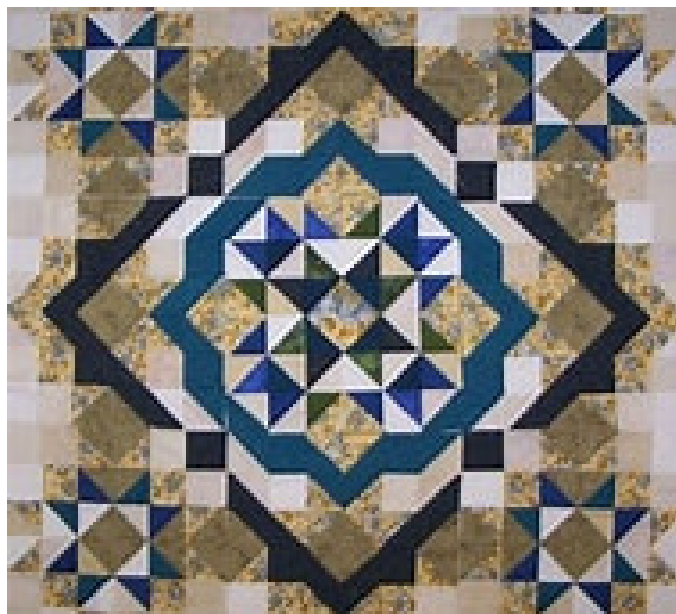

## Sewcial News

We had a nice turnout for the Sewcial on April 17th. New member Daisy checked in and worked on her wedding dress!!! We also said “hello” to returning member Helga, who showed us her beautiful, hand-pieced, log cabin blocks done with Liberty fabrics.

Helga and Jayne also helped Denise figure out the math for enlarging the next BOM. Jayne showed off her BOM for May in gorgeous turquoise. Fran continues to work on her border for her tiny blocks quilt and Cathi finished up a quilt for her 18-year old grandson’s birthday.

Ellie showed us a very colorful pillowcase kit she was making. Yours truly struggled with bobbin issues while finishing up her “It is Wine O’clock” wall hanging. We were all very busy and enjoyed helpful and lively conversation while sewing.

Please join us for our next Zoom Sewcial on May 15, 11:00 am to 1:00 pm. Jeannie

## FROM ELLIE, QUILT FOR COTS CHAIRPERSON

The Quilters for COTS team continues to work with the beautiful quilt tops and pillowcases that have been created for this project. As more clients are welcomed back to the Mary Isaak Center, more requests for quilts are being processed. So far this month, we have delivered 4 more quilts and pillowcases to the residents of the center. The total number of quilts that has been donated since 1993 is 3860!!! Thanks for supporting this project and the homeless in our community.

## CORRESPONDENCE

PQG received this Thank You note from the recipient of the Beatles quilt that was made following the Tubbs fire. Many guild members contributed to this Quilt-As-You-Go project by piecing blocks, doing applique or quilting sandwiched blocks. Your work is much appreciated

February 9, 2021

Dear Petaluma Quilt Guild,

I want to take this opportunity to "Thank You Girls" for the absolutely magnificent quilt you made "Because" it is really "Something". It looks like you must have been working on it "Eight Days a Week" and a few "Hard Days' Nights" for a series of "Yesterdays". It is amazing what Marilyn was able to do "With a Little Help from Her Friends".

All Beatles' lyrics aside, this is an extreme work of art! A few years ago, I bought a print of The Yellow Submarine drawn by the cartoonist, and the quilt matches the print perfectly. Now, I know where I will hang the print in my new house.

I was also extremely impressed about the back of the quilt! When I gave Marilyn some of my late husband's Hawaiian shirts, I envisioned that they could be used as a couple of appliques on the back. I had no idea that it would be made into a reversible quilt! This made it even more special, and it was so wonderful for you to honor Sandy's memory in this manner.

I also loved, loved, loved, the "All You Need Is Love" and "Love Is All You Need" on the top and bottom of the quilt. And, the Apple Logo and picture of John Lennon sewing really. "Helped" it to "Come Together" nicely.

Anyway, to paraphrase a Beatles' song, "And in the end, the love you take, is equal to the quilts you make", and you made this fire survivor extremely happy with this one.

With Love From Me To You!

JAYNE MYERS, MILITARY  
QUILTS CHAIRPERSON

## **Military Quilts in Need of Help**

Hello Quilters, I'm working on a batch of military quilts to donate to the **homeless military housing here in Sonoma County.**

Thanks to Gale V. who has made most of the 14 quilt tops that I have now quilted, I would appreciate any help for completing them.

Jobs for the following are here for the asking, binding, making pillow cases to send with each quilt and even more blocks so we can continue to make tops. I have made 14 pillowcase kits and I have the quilts with readymade bindings just waiting to go (thank you Jo H. for making the bindings). As for the blocks I received 30 of the red and white blocks and have so far received 8 for the blue with white star block that is currently in our newsletter. I need 20 each for one top. I always set high goals and since I need 20 each of red/white and 20 blue stars I'm hoping for 10 more red and white blocks and 32 more blue stars. That way I will have two quilts.

I will keep the blue and white star directions up through the end of May hoping to get more. In June I will go back to at least a 12 inch square block. I have material for both blocks if you need fabric to participate. I will deliver and or pick up if you need me to. The blocks also mail pretty easily, just make sure that you make it feel like paper so you are only charged for regular mail and not a package. Remember you can always make your own 12 inch block and I can add it to my orphan bag which I will someday turn my orphans into tops. Quilt tops are accepted too. **Thank you all for supporting the Military Quilt and Pillowcase program for our local veterans.**  
**Your Military Quilt Chair, Jayne M.**
