## President's Letter

Greetings my fellow quilters, I can't believe another year is gone. 2022. How fast everything seems to go these days but things like these wonderful masks we need to wear just keep hanging on. I was in the Denver area and they pretty much have the same laws as us, which I felt safer being out n about. I drove past 4 quilt shops in a small time frame but didn't have the time to stop in. I imagine they quilt to just stay warm with the 8\* weather I had there.

So are we setting New Year Goals?

Make more of this or challenge ourselves to do that? Whatever it is make sure it includes giving someone a smile or a few extra minutes of your time.

Happy and Sewful New Year

Debby L.

## Quilts for COTS

We delivered 10 quilts and pillowcases to the Voices project the week of Dec. 13. The quilts and pillowcases will be given to young people who are aging out of Foster Care. The Quilters for COTS team and several Guild members continue to quilt and sew at home so we can meet the needs of the homeless in our community. Happy New Year! Ellie

<https://www.petalumaquiltguild.org/military-blocks/>

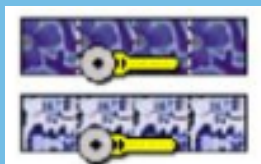

### Supply List:

**Red (Color 1)** – one 2 1/2 x 10" strip and one 2 1/2 x 18" strip (shown in dark blue)

**Blue (Color 2)** – one 2 1/2 x 10" strip, one 2 1/2 x 18" strip, and one 4 1/2" square (shown in blue and white pattern)

**White (Color 3)**– one 2 1/2 x 18" strip (shown in white)

Start by marking and cutting the **Color 1** and **Color 2** 2 1/2" x 10" strips into four 2 1/2" squares of each

Mark and cut the 2 1/2 x 18" strips of **Colors 1, 2 and 3** into four 2 1/2 x 4 1/2 rectangles of each

Sew the **Color 1** and **Color 2** right sides together in pairs. Press seam towards **Color 1**. You will make four sets.

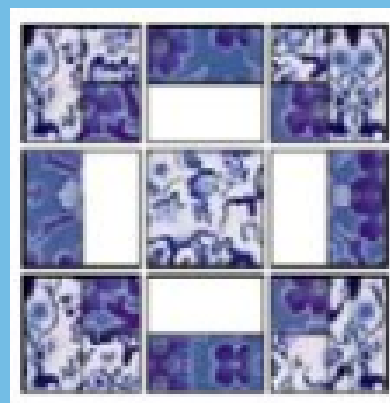

Sew **Color 2** rectangles to the side of the square pairs. Two on the left and then two on the right with **Color 1** square on the bottom in each pair. These will be the block's four corner units. You will be making 2 sets that are opposite.

Sew **Color 1** and **Color 3** rectangles right sides together in pairs along one long edge, again using a scant 1/4" seam. Press seam to **Color 1**. Make four units for the block's sides

Lay out all your units as shown below, then sew three horizontal rows. Press top and bottom row seams towards the outsides, and center row seam towards the middle. Then join the rows.
