## President's Letter

Howdy Members

I really am going blank on something clever to say so I am just going to give you some things we need:

- Be sure and look at all the information about Tri Guild Be sure and sign up if you didn't at the meeting
- Our July meeting will be on July 5th since the 4th is before that...Boy was that a intelligent statement.
- Cast off table....We are going to do a text on the cast-off table till we find a person to take on the responsibility to take items to Legacy in Sebastopol If you bring something to give away at the guild then you need to check the table at the end of the meeting to take it back home if not taken.
- We need someone to take on the Friendship book to organize who has blocks to make and to give out.
- The guild is governor by a board. But it works because members step up. If you are new to the guild or a long time member we WANT AND NEED YOUR HELP. Please email me and I'd be VERY HAPPY to let you know how to help and get to be a working member of the guild. What a great way to get to know the members.

Hope to see you all at the meeting.

Debby L

President

## **12" Friendship Star**

### **Supply List:**

Blue for stars	(1) 4-1/2" x 4-1/2" square
	(2) 4-7/8" x 4-7/8" squares
Red for corners	(2) 4-7/8" x 4-7/8" squares
White for background	(4) 4-7/8" x 4-7/8" squares

1. Draw a diagonal line, from one corner to the opposite corner, on the reverse side of all light neutral squares.
2. Use the quick pieced half-square triangle method to sew a light square to each blue print square of the same size. When complete, each of the four half-square triangle units should measure 4-1/2" x 4-1/2" for a 12" (finished size) quilt block. Set aside.
3. Make four more half square triangle units by pairing the remaining 4-7/8" x 4-7/8" light squares with the multicolored squares (for the block's corner triangles) of the same size.
4. Arrange the half square triangle units and the 4-1/2" x 4-1/2" blue print square into three rows. Units made with the blue fabric form the stars, and the multi-color print triangle units are used in block corners. Check to make sure the angles of all patches match the diagram.
5. Sew the units in each row together. Press seam allowances in the top and bottom rows towards the outer units. Press seam allowances in the center row towards the solid square. Sew rows together, carefully matching patch edges and seam intersections.
6. Press. The quilt block should measure 12-1/2" x 12-1/2".

### **Help Needed**

Hello Quilters, I've caught up on my longarming after my 3 month break for repairs. I have several quilts that still need binding and I would appreciate help with this process so that I may pass the completed Military Quilts to the Homeless Veterans Housing. You can call my home or send an email for pick up or delivery of quilts to bind. Thank you for your help. Jayne

*Thank you and if you have any questions just ask Jayne.*
